The Development will comply with state and federal fair housing and antidiscrimination laws; including, but not limited to, consideration of reasonable accommodations requested to complete the application process. Chapter 1, Subchapter B of this title provides more detail about reasonable accommodations. Screening criteria will be applied in a manner consistent with all applicable laws, including the Arkansas Fair Housing Commission and Federal Fair Housing Acts, the Federal Fair Credit Reporting Act, program guidelines, and the Department's rules.

Non-U.S. Citizens must provide a valid government issued photo ID and an identification number. 1 Bedrooms	1	2

The applicant cannot be financially dependent on the live-in attendant. The attendant may be a family member with the exception of a spouse. A live-in attendant must complete an application showing financial independence from the applicant and must meet the same screening criteria (other than credit) as the applicant. Live-in attendants must sign and adhere to the **Live-In Attendant Statement** which outlines the conditions of the program.

Income & Rent - All sources of earned (household member age 18 and older) and unearned income (all household members) must be verified in writing. The anticipated total income from all sources received by the family head and spouse (even if temporarily absent) and by each additional member of the family, including all net income derived from assets for the 12-month period following the effective date of certification of income. Residents at this property are offered subsidized rent. This means the rent that a household pays is based upon the household income. The family will pay 30% to 40% of their adjusted household income. The balance of the contract rent is subsidized by the Housing Authority of the City of Hot Springs. The rent amounts paid by residents may vary.

Assets - Under the **LIHTC** program assets of \$5,000 or less tenants certify asset amount and income from the asset. Household assets over \$5,000 must be verified and all income from the asset. Under the **HOME** program all assets and income from the asset must be verified. Forms of verification are monthly statements (6 month average for checking and current balance for savings) and/or a verification from the financial institution. All other assets are current balances.

Rental History/Credit – Mountain View Heights reviews each adult applicant’s credit history. Mountain View Heights does not consider medical bills/expenses, credit score, or the lack of credit history, when reviewing credit history. Credit history will be reviewed to determine the following: If there is any debt owed to prior landlord, Mortgage Company or HUD; if there are any evictions that have not been reported, if there are any other housing related judgements against the applicant(s) or an open bankruptcy. Applicants will be denied in the following situations: The family owes a debt to a federally assisted housing program which has not been repaid and the family has not established a repayment agreement. The family has a pattern of debts owed to housing and residential programs within the past two years.

Mountain View Heights will review rental history with any landlord indicated in the past five (5) years. The application will be rejected for any of the following:

- The family has been evicted from federally assisted housing within the past five (5) years;
- The family has a pattern of disturbance of neighbors, destruction of property or living or housekeeping habits at prior residences within the past two years which may adversely affect the health, safety or welfare of other tenants.
- The family has a pattern of eviction from housing or termination from residential programs within the past five years (considering relevant circumstances).
- The family owes an outstanding balance to an apartment community or mortgage company, or who has been evicted (considering relevant circumstances).

The community uses the admissions criteria outlined in the Housing Authority of the City of Hot Springs Admission Plan which describes eligibility for admission and processing applications. The Administration Plan outlines the rights of applicants if they are denied admission. Applicants denied admission will received the denial in writing with in seven (7) days and applicants have the right to request a meeting within fourteen (14) calendar days of the date of the application denial letter.

Criminal Background – The Mountain View Heights owner/agent has established a policy to deny all application where the applicant or any household member has engaged in criminal activity as described. Any household in which any member was evicted in the last five (5) years from federally assisted housing for drug-related criminal activity. Any

household in which any member was engaged in the production of methamphetamine. A household in which any member is currently engaged in illegal use of drugs or for which the owner/agent has reasonable cause to believe that a member's illegal use or pattern of illegal use of drug may interfere with the health, safety, and right to peaceful enjoyment of the property by other residents. Any household member who is subject to any state lifetime sex offender registration requirement. Any household member if there is reasonable cause to believe that member's behavior, from abuse or pattern of abuse of alcohol, may interfere with the health, safety, and right to peaceful enjoyment by other residents. The screening standards must be based on behavior, not the condition of alcoholism or alcohol abuse. The owner/agent will reject an application if any household member's criminal history includes one or more of the following: Sex Offender Registration: Applicant, or any member of the applicant's family, is or ever has been subject to registration under a state sex offender registration program. Murder. Record of any conviction or adjudication, other than acquittal, of the following felonies by any household member, which have occurred within the 3-year period prior to the application date: Crimes against a person or property. Drug use. Criminal offenses related to weapons, prostitution, or cruelty to animals. Sexual related offenses where a deadly weapon is used. Manufacturing/delivery or distribution or sale of a methamphetamines. Aggravated assault or battery and terrorism related offenses may be declined.

Pets – A maximum of 2 pet(s) per apartment is permitted. Dogs whose breed or dominant breed weight exceeds 30 pounds at maturity are not accepted. The following breeds or partial breeds are not permitted: Rottweilers, pit bulls, Akitas, Dobermans, chows, German shepherds, and Australian shepherds. Exotic animals and reptiles are not accepted. Additional restrictions may apply. Specific animal, breed, number, weight restrictions, pet rules, and pet deposits will not apply to households having a qualified service/assistance animal(s). All animals must be photographed by management before approval.

Assistance Animal - Certain animals provide assistance or perform tasks for the benefit of a person with a disability. Such animals are often referred to as "service animals," "assistance animals," "support animals," "therapy animals," "companion animals," or "emotional support animals". The use of assistive animals is allowed as a reasonable accommodation.

Under both the Fair Housing Act and Section 504, in order for a requested accommodation to qualify as a reasonable accommodation, the requester must (1) have a disability, and (2) the accommodation must be necessary to afford a person with a disability an equal opportunity to use and enjoy a dwelling. To show that a requested accommodation may be necessary, there must be an identifiable relationship, or nexus, between the requested accommodation and the person's disability. In the case of assistance/service animals, an individual with a disability must demonstrate a nexus between his or her disability and the function the service animal provides.

The Property will verify the existence of the disability, and the need for the accommodation—if either is not readily apparent. Persons who are seeking a reasonable accommodation for an emotional support animal may be required to provide documentation from a physician, psychiatrist, social worker, or other mental health professional that the animal provides support that alleviates at least one of the identified symptoms or effects of the existing disability.

In accordance with HUD Final Rule (73 F.R. 63834) and 24 CFR part 5, subpart C, a reasonable accommodation may be denied under the following circumstances: (1) pose a direct threat to the health or safety of others (2) result in substantial physical damage to the property of others unless the threat can be eliminated or significantly reduced by a reasonable accommodation (3) pose an undue financial and administrative burden; or (4) fundamentally alter the nature of the Property's operations.

The Property may exclude an assistance animal when that animal's behavior poses a direct threat and its owner takes no effective action to control the animal's behavior so that the threat is mitigated or eliminated. The determination of whether an assistance animal poses a direct threat will be based on an individualized assessment that is based on objective evidence about the specific animal in question, such as the animal's current conduct or a recent history of overt acts. The assessment will consider the nature, duration, and severity of the risk of injury; the probability that the potential injury will actually occur; and whether reasonable modifications of rules, policies, practices, procedures, or services will reduce the risk. In evaluating a recent history of overt acts, the Property shall take into account whether the assistance animal's owner has taken any action that has reduced or eliminated the risk. (Ex: obtaining specific training, medication, or equipment for the animal) This direct threat provision of the Fair Housing Act requires the existence of a significant risk—not a remote or speculative risk.

Accordingly, the determination will not be the result of fear or speculation about the types of harm or damage an animal may cause, or evidence about harm or damage caused by other animals.

The HUD Final Rule requires a person with a disability who uses an assistance animal to be responsible for the animal's care, maintenance, and control. This includes picking up and disposing of his or her assistance animal's waste.

Pet Deposit and Other Charges – A Pet Deposit in the amount of \$350 per pet will be charged. A deposit is not required on assistance animals.

Application Fee – No application fee is charged at this time.

Security Deposits – A fully refundable security deposit is due upon move in. The following fully refundable security deposit will be charged – Efficiency \$150, 1 Bdrm -\$150, 2 Bdrm - \$150, 3 Bdrm \$150, 4 Bdrm \$150.

Students – An LIHTC development cannot be entirely occupied by full time students. Student status becomes an issue when everyone in the household is a full-time student. The tenant, in order to be considered a full-time student, must be (a) taking at least twelve (12) credit hours per semester; (b) taking the school's full-time requirement (as defined by the institution); or (c) enrolled five (5) months out of 12 months in an institution of higher learning. The 5 months need not be consecutive. Student status must be re-verified at annual recertification to confirm continuing eligibility of the household. If owner has obtained a recertification waiver, he, too, must continue to check student status annually. Student status must be verified through the registrar's office of the educational institution. Children in grades K-12 are considered full-time students.

Full-time students who are not entitled to file a joint tax return are not eligible for the tax credit unit. There is no grandfathering of eligibility because the tenant was not a student when he/she moved in and later became one.

Exceptions: A unit would not be disqualified for tax credits if it is occupied as specified in Section 42(i)(3)(D).

(i) by an individual who is

- A student and receiving welfare (AFDC or TANF) assistance under Title IV of the Social Security Act, or
- Enrolled in a job training program receiving assistance under the Job Training Partnership Act (JTPA) or under other similar federal, state, or local laws. NOTE: The Workforce Investment Act replaced the JTPA. A similar program must get federal, state, or local government funding and have a mission similar to the one for the JTPA program.

or

(ii) entirely by full-time students if such students are

- single parents and their children and such parents are not dependents (as defined in section 152, determined without regard to subsections (b)(1),(b)(2), and (d)(1)(B) thereof) of another individual and such children are not dependents (as so defined) of another individual other than a parent of such children; or
- Married and entitled to file a joint tax return
- At least one household member was under the care and placement responsibility of the State Agency responsible for Foster Care Services

It is ADFA's position that the household member would have been in Foster Care during the last five (5) calendar years prior to applying for residency. Owners must obtain court or state agency documents to confirm Foster Care.

ADFA considers a household eligible if it contains at least one part-time student. Children in kindergarten through twelfth grade are considered full-time students. The Arkansas welfare-to-work program known as Transitional Employment Assistance (TEA) qualifies as a job training program.

Students – Under the HOME program if a unit receives HOME funds (even if it is combined with LIHTC or other funding programs) it excludes any student who:

- and**
1. Is enrolled in a higher education institution
 2. Is under age 24
 3. Is not a veteran of the U.S. military
 4. Is not married
 5. Does not have a dependent child(ren)
 6. Is not a person with disabilities
 7. Is not otherwise individually eligible, or have parents who, individually or jointly, are not eligible on the basis of income. Please note: this item refers to being eligible for Section 8. So, if the student OR their parents are eligible to receive Section 8, then they would meet exception #7.

Excluded students are prohibited from receiving any type of HOME assistance, including renting HOME-assisted rental units, receiving HOME tenant-based rental assistance, or otherwise participating in the HOME program independent of their low- or very low-income families.

Waiting List - The HACHS determines the administration of the site based waiting list from which all applicants are pulled and offered units at this community. For information on the waitlist policy, including the opening and closing of the waiting list and the selection of the applicants from the waiting list, how preferences are applied, procedures for organizing accessible units, please refer to the Housing Authority of the City of Hot Springs Administrative Plan and waiting list policy.

Closing the Waitlist - The Hot Springs Housing Authority determines the opening and closing of the Waiting List in accordance with their Administrative Plan.

Purging the Waitlist - The waiting list is purged in accordance with the Hot Springs Housing Authority Administrative Plan.

Denial of Application – If your application is denied for any reason under the LIHTC or HOME program, applicant will be provided a notification of denial, via in person, USPS, facsimile or email within 7 days.

If an appeal is requested due to the denial a second review of all documentation will be made by the compliance manager or someone who did not take part in the original decision. Notification will be by phone followed up in writing via e-mail or sent by USPS mail within 7 days.

Unit Transfer Policy – This development is part of a multiple-building project per the IRS form 8609. Resident(s) electing to transfer within the same project are allowed, regardless of the household's income at the most current certification. Certification date follows the household, not the unit. Current unit deposit will be refunded if there are no damages to the current unit. Pre-inspection of the unit will be conducted prior to any transfer approval. A new deposit will be collected upon execution of the new lease agreement for the new unit. If the transfer is to accommodate a request for an accessible unit, the security deposit will transfer from the current unit to the new. Existing tenants will be entered on the waitlist using the same process as applicants not currently residing at the property. A preference shall be granted for a transfer by an existing tenant that needs an accessible unit over applicants on the waiting list. A preference shall be granted for a transfer by an existing tenant that needs to transfer based on protection under the Violence Against Woman Act over applicants on the waiting list. Priority for accessible units shall be given to an applicant that requires accessible features or an applicant with a disabled household member that requires accessible features.

Mountain View Heights Family Units and Mountain View Heights Towers are two separate projects. This requires resident(s) to qualify on current circumstances as initial certification for a new unit when transferring from one project to another. Completion of all paperwork is required. Existing resident(s) must meet income/rent restrictions as outlined in current criteria for rental.

Emergency Transfer – If the dwelling unit is damaged or a condition inside the unit exists which is a hazard to life, health, or safety of the occupants, the property will move the resident to the first available unit, if necessary repairs cannot be made within a reasonable amount of time. If the occupant must be placed on the waitlist they shall be placed at the top of the waitlist and offered the next available unit.

Non-Renewals and Terminations of Lease Contracts for Existing Households – This community follows the Lease Termination Policies under the Hot Springs Housing Authority Administrative Plan. Existing households that are not allowed to renew and their lease is being terminated will be handled as allowed under the program. A written Notice of Lease Termination will state the reason for the proposed termination in accordance with all applicable Federal, State and local laws and the lease terms. This property operates in compliance with the Violence Against Women Act (VAWA) and will comply to non-renewals and termination of the lease contract accordingly. If you are a victim of domestic violence, sexual assault, dating violence or stalking, you as well as members of your family, may have protection from being denied housing or from losing housing as a consequence of domestic violence, sexual assault, dating violence or stalking. If you are a person with a disability, and if there is a reasonable accommodation that you would like to request in response to this notice, you have a right to do so under the Fair Housing Act. Person(s) with a disability and or reasonable accommodation, request will not be non-renewed or terminated from the lease contact solely based on a person(s) with a disability and or reasonable accommodation request.

NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT

Mountain View Heights

Notice of Occupancy Rights under the Violence Against Women Act¹

To all Tenants and Applicants

The Violence Against Women Act (VAWA) provides protections for persons that have been subject to domestic violence, dating violence, sexual assault, or stalking.² VAWA protections are available equally to all individuals regardless of sex, gender identity, or sexual orientation.³ The Arkansas Development Finance Authority is the State agency that oversees **the Housing Tax Credit, HOME Multifamily**. This notice explains your rights under VAWA. A U.S. Department of Housing (“HUD”) approved certification form is attached to this notice. You can fill out this form to show that you are or have been subject to domestic violence; dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.

Protections for Applicants

If you otherwise qualify for assistance under **the Housing Tax Credit Program**, you cannot be denied admission or denied assistance because you are or have been subject to domestic violence, dating violence, sexual assault, or stalking.

Protections for Tenants

If you are receiving assistance under **the Housing Tax Credit Program**, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been subject to domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been subject to of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under **the Housing Tax Credit Program** on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

Removing the Abuser or Perpetrator from the Household

Mountain View Heights may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If **Mountain View Heights** chooses to remove the abuser or perpetrator, **Mountain View Heights** may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, **Mountain View Heights** must allow the tenant who is or has VAWA protections and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, **Mountain View Heights** must follow Federal, State, and local eviction procedures. In order to divide a lease, **Mountain View Heights** may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking (such as HUD’s self-certification form 5382).

1 Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

2 The VAWA statute uses the term victims to describe those with VAWA protections, but the Department herein refers to this class of persons as subject to protections under VAWA.

3 Housing providers in the covered programs cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Moving to Another Unit

Upon your request, **Mountain View Heights** may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, **Mountain View Heights** may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

- (1) You are a victim of domestic violence, dating violence, sexual assault, or stalking.** If **Mountain View Heights** does not already have documentation that you have been subject to domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.
- (2) You expressly request the emergency transfer.** **Mountain View Heights** may choose to require that you submit a form, or may accept another written or oral request.
- (3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You have been subject to sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you have been subject to sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

Mountain View Heights will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and work to ensure the confidentiality of the location of any move by such victims and their families.

HP's emergency transfer plan provides further information on emergency transfers, and **Mountain View Heights** must make a copy of its emergency transfer plan available to you if you ask to see it.

Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking
Mountain View Heights can, but is not required to, ask you to provide documentation to "certify" that you are or have been subject to domestic violence, dating violence, sexual assault, or stalking. Such request from **Mountain View Heights** must be in writing, and **Mountain View Heights** must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. **Mountain View Heights** may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to **Mountain View Heights** as documentation. It is your choice which of the following to submit if **Mountain View Heights** asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form (HUD form 5382) given to you by **Mountain View Heights** with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, "professional") from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the

effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.

- Any other statement or evidence that **Mountain View Heights** has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, **Mountain View Heights** does not have to provide you with the protections contained in this notice.

If **Mountain View Heights** receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), **Mountain View Heights** has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, **Mountain View Heights** does not have to provide you with the protections contained in this notice.

Confidentiality

Mountain View Heights must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

Mountain View Heights must not allow any individual administering assistance or other services on behalf of **Mountain View Heights** (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

Mountain View Heights must not enter your information into any shared database or disclose your information to any other entity or individual. **Mountain View Heights**, however, may disclose the information provided if:

- You give written permission to **Mountain View Heights** to release the information on a time limited basis.
- **Mountain View Heights** needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires **Mountain View Heights** or your landlord to release the information.

VAWA does not limit **Mountain View Heights** duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, **Mountain View Heights** cannot hold tenants who have been subject to domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been subject to domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if **Mountain View Heights** can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

- 1) Would occur within an immediate time frame, and
- 2) Could result in death or serious bodily harm to other tenants or those who work on the property.

If **Mountain View Heights** can demonstrate the above, **Mountain View Heights** should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

Mountain View Heights

Model Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

Emergency Transfers

Mountain View Heights is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),⁴ **Mountain View Heights** allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.⁵ The ability of **Mountain View Heights** to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether **Mountain View Heights** has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that **Housing Tax Credit/Bond Program** is in compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify **Mountain View Heights** management office and submit a written request for a transfer to **Mountain View Heights** located at 100 High Rise Circle; Hot Springs, AR 71901. **Mountain View Heights** will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under **Mountain View Heights** program;
OR

⁴ Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

⁵ Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

Confidentiality

Mountain View Heights will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives **Mountain View Heights** written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act For All Tenants for more information about **Mountain View Heights** responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

Mountain View Heights cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. **Mountain View Heights** will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. **Mountain View Heights** may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

If **Mountain View Heights** has no safe and available units for which a tenant who needs an emergency is eligible, **Mountain View Heights** will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, **Mountain View Heights** will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.

Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.
